**THE SENTINEL.**

DAILY, BI-WEEKLY & WEEKLY.

RUFUS KING, EDITOR.

FRIDAY MORNING, DEC. 16, 1859.

Helper's Crisis.

The Democratic "Agitators," at Washington and elsewhere, are advertising Helper's book in the most extensive manner, and the result is, that it is being eagerly inquired for. We have already published a synopsis of its contents. Among the "inexplicable" passages which the book contains, are the following:

"I never meant to possess another slave by purchase, it being among my first objects to see some plan adopted by which slavery may be abolished at once."

"God, the dearest of my wife, it is my will, that she and her freedom be extracted from Washington."

"The whole controversy between master and slave is the property of the most benevolent person, the most scrupulous despotism on one part, and most uncompromising submission on the other. In this country when I remember that God is just, I am not afraid to let the Almighty decide in our contest."—*That is the contest between the enslavers and the enslaved.*—*Thomas Jefferson.*

Of course, a book containing such treasonable sentiments cannot be permitted to circulate in Virginia; and Mr. SHERMAN, the Republican candidate for Speaker, is rightly "extricated" by the Sham Democracy for believing, with Washington and his son, that Slavery is wrong and ought to be abolished.

Sherman and Lettierer—Equality of their Treasurers.

To the Editor of the *N. Y. Tribune.*

Sir: It would seem that the House of Rep-

resentatives of the United States, after five

days of unparallelled excitement and confu-

sion, is yet unorganized, because JOHN SHER-

MAN of Ohio, the most prominent candi-

date for presiding officer of that august body,

signed, several months since, a circular re-

quest of a compendium of my Anti-Slavery

book—"The Impending Crisis of the South."

The objection thus urged against

Sherman is, that he is not a member of the

House of Representatives.

He is, however, a member of the Senate, and

is, therefore, eligible to be chosen as presid-

ing officer of the House.

## Special Notices.

**PILES! PILES!! PILES!!!**  
What is it? How can it be?  
**THOUSANDS OF PERSONS HAVE**  
PULLED OUT OF IT, but the rest are yet  
to know what it is, or how to get rid of it.  
It is a disease of the bowels, of external  
tumors, frequent bleeding, or in violent itching  
and irritation, depends essentially upon congestion  
of the abdominal viscera and vessels. This removal  
of the tumor, the dilation of the rectum, the formation  
of tumors, hemorrhage, pain and suffocation; and the  
disease can only be fundamentally cured by medi-  
cines which, taken internally, relieve this abdominal  
distension, and correct the circulation. These medicines,  
even injections, are ineffectual. **HUMPHREY'S**  
**HOMOEOPATHIC PILLS** SPECIFIC, a simple sugar  
pill, taken two or three times per day, will  
cure all cases of piles, and those who have  
been long tormented by them, should take  
them at once. **DR. F. HUMPHREY & CO.**

**MOTHERS! MOTHERS!**

WINSTON'S SOOTHING SYRUP for children suffering  
from the effects of teething. It has no equal on earth. It quickly relieves  
the intense pain, allay all fear, and is sure

it will give rest to yourselves, and peace and health  
to your infants. **PERFECT SOOTHING SYRUP**,  
a new preparation is now in the market, and  
is the most experienced and skillful Physicians  
in New England, and has been used with never  
fail success in millions of cases. It  
will be found to be a great remedy in the  
world, in all cases of Diarrhea and Dysentery in  
children, where it arises from teething, any  
other cause.

**LIFE INSURANCE** can be estimated by dollars and  
cents, and its weight in gold. Millions of  
lives are sold every year in the United  
States. I am an old and well tried remedy.

**THE PUBLIC BLESSING** IS WHICH IS  
now so universally admitted to exist in Mil-  
waukee and Kenosha, is every day demon-  
strated. It is the result of a combination of  
factors which cannot be easily explained.  
All the constituents of the water, the  
minerals of the stomach and bowels, weakness of the  
digestive organs and of the system generally, bilious  
and liver affections, rheumatism, head aches, and  
various complaints, are all relieved by the  
water. Dr. Gottschall Kinkel made a  
most spirit grafting on German in the  
stomach for one swelling. He was  
able to drink the water and had no  
difficulty in getting rid of it.

There was much music. A piece, "Schubert  
composed for the occasion," by Carl  
Grosz, was performed. Mendelssohn's wed-  
ding march was also played. The  
poet then sang a solo, and the  
whole audience joined in the  
chorus.
